Dear Law Enforcement Professional,

Do you currently have any legal defense or other benefits? Are you currently seeking alternative labor representation? Now is the time to review what you currently have and determine if you are ready to investigate another option, based right here in Michigan. Our elite list of PLEA Participating Attorneys is top notch. Now more than ever it is critical to make sure everyone is covered properly.

Recently, the Professional Law Enforcement Association (PLEA), located in Rochester, Michigan, has partnered with the United Federation of Police Officers (UFPO), a national union, that is another choice for Michigan, offering services such as grievances, contract negotiations, and other administrative issues to Police Departments. Along with PLEA, which handles the duty related Civil and Criminal incidents, UFPO offers a very comprehensive and competitive program to serve your needs. We are all a team of dedicated professionals. Our focus is solely on assisting you, as you keep our citizens safe.

In addition, PLEA provides \$5,000 of Accidental Death & Dismemberment (AD&D), and Plan A of the PLEA HR-218 Legal Defense Program. Other benefit programs are also available and can be viewed in detail on our website.

PLEA is a non-profit organization, and our goal and mission is to provide benefits for all law enforcement throughout the country.

Please contact our office now, at either 248-588-8989 or 800-367-4321 for more information including pricing options.

Thank you for your service to your community, and we look forward to hearing from and working with you.
